

Enabling Wireless Technologies in Supply Chains Seminar 供應鏈無線科技研討會

The Department of Supply Chain Management organised a seminar - "Enabling Wireless Technologies in Supply Chains Seminar" on 25 October 2014, which aimed at introducing how RFID technologies could improve logistics and supply chain management.

It was our great pleasure to have Professor C H Cheng, (Associate Professor of Department of Systems Engineering and Engineering Management, The Chinese University of Hong Kong), Mr Daniel Chan (President of the Institute for Supply Management, Pearl River Delta) and Mr Stephen Wai (Business Development Manager of the HK R&D Centre for Logistics and Supply Chain Management Enabling Technologies) shared their experience and the latest development of the RFID technologies. In addition, Dr Eugene Wong and Dr Tommy Cheung from the Department of Supply Chain Management also gave a presentation on the RFID Research for Supply Chain Operations. The seminar was ended with active discussions among the guest speakers and participants regarding the opportunities and challenges in RFID research and application in Hong Kong.

供應鏈管理學系於2014年10月25日舉辦了一場研討會，主題為 - 供應鏈無線科技研討會。是次研討會目的在於了解如何利用無線射頻識別技術改善物流和供應鏈管理。

我們很榮幸邀請了香港中文大學系統工程與工程管理學系副教授鄭進雄博士、珠三角採購供應專業協會會長陳錦標先生及香港物流及供應管理應用技術研發中心韋志豪先生分享他們在學術及業界於無線射頻科技之研發與應用。此外，供應鏈管理學系講師張敬賢博士及黃彥璋博士亦分享了他們在無線射頻識別技術應用在供應鏈運營的研究。最後，演講嘉賓與與會者就RFID在香港的研究和應用面對的挑戰和機遇展開熱烈討論。

Professor T S Lee, the Head of Department of Supply Chain Management presented a Certificate of Appreciation to Prof C H Cheng (photo above) and Mr Daniel Chan (photo below)

SCM Information Session 供應鏈管理課程簡介會

大學聯合招生辦法
JUPAS 課程編號
Programme Code
SH01

Our Bachelor of Business Administration in Supply Chain Management (BBA-SCM) (Honours) Programme has been selected by the Education Bureau to join the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP); it means that part of the tuition fees will be subsidised (HK\$40,000 per year) by the government, starting from the academic year 2015-16 onwards covering three cohorts. Students will be required to apply for BBA-SCM Programme via JUPAS.

The Department of Supply Chain Management organised two Information Sessions on 11 October and 1 November 2014 so as to let the high-school principals, teachers, parents and students know more of our programmes' structure, our academic team, the application procedures under the SSSDP and the campus facilities available to prospective students including the Decision Science and Technology Laboratory.

供應鏈管理工商管理(榮譽)學士課程最近獲邀參與由教育局成立的「指定專業/界別課程資助計劃」(英文簡稱SSSDP)。自2015-16學年起至2017-18學年止,該課程一年級的70個學額將全部獲得香港特區政府的資助。這是到目前為止在物流界別內唯一受資助的私立大專四年制學位課程。參與中學文憑試之同學可直接透過大學聯招(JUPAS)報讀此課程,凡被取錄的同學可獲得由香港特區政府資助學費每年HK\$40,000直到完成四年課程為止。

為了讓校長、老師、中六同學及家長了解更多關於該課程內容及畢業同學的就業規劃和SSSDP計劃的申請方法,供應鏈管理工商管理學系於本年10月11日及11月1日舉行了兩場課程簡介會,好讓他們對供應鏈管理這個專業有更深認識。

Dr Danny Ho explained the details of the application procedures under JUPAS
何熾權博士介紹聯招計劃下之申請方法

Dr Stephen Ng introduced the BBA-SCM Programme
吳志雄博士介紹供應鏈管理工商管理課程內容

Dr Collin Wong introduced the BMSIM Programme
黃惠虹博士介紹管理科學與資訊管理課程內容

Dr Ricky Wong briefly introduced our campus facilities

BMSIM Programme Advisors cum Industry Advisors Luncheon Meeting 管理科學與資訊管理顧問委員會及業界專業顧問午餐會

The first BMSIM Programme Advisors cum Industry Advisors Luncheon Meeting was held on 15 November 2014 at Ocean Blue Restaurant of HSMC. Dr Collin Wong, Programme Director, thanked Committee Members for their continuous support from programme design to implementation all along. Members were updated on the development of the Programme. Suggestions were received and they were valuable for future improvement. After the luncheon meeting, selected mentees who joined the Mentorship Scheme attended the mentor-mentee group meeting and met their potential mentor at DST Lab. Mentees shared their future career plans and sought advice from the mentors.

管理科學與資訊管理顧問委員會及業界專業顧問午餐會於11月15日在恒生管理學院藍海洋中菜廳舉行。黃惠虹博士（課程總監）向眾委員及顧問對課程的設計至順利推行致謝。會議中，大家都為課程的發展提出不同的優化建議。會議後，業界專業顧問與參與了師友學習計劃中獲甄選的學生在決策科學科技實驗室進行研討會，學生又分享了他們將來的工作計劃及徵求導師們的意見。

BMSIM Personal Tutor Meeting 管理科學與資訊管理師生分享聚會

BMSIM personal tutors and students were
preparing BBQ food together
大家分工合作，預備燒烤食物

The Department of Supply Chain Management organised the 1st Personal Tutor Meeting for BMSIM Year 1 & Year 3 students on 9 October 2014. Personal Tutors and students gathered by the swimming pool near Block M for a barbeque.

The purpose of the personal tutor meeting is to provide a channel for our students to exchange their views about learning environment and to share the difficulties that they might have come across. With increased interaction, we will be able to further improve our teaching quality and learning environment so as to achieve students' whole-person development.

供應鏈管理學系於本年10月9日舉辦了第一次管理科學與資訊管理師生分享聚會。是次聚會在校園M座的泳池旁以池畔燒烤形式進行。

在師生分享聚會中，同學在輕鬆的氣氛下踴躍發言，校方聽取各方面的意見後得以改善教學環境與提升學習質素，達致全人發展的目標。

Department of Supply Chain Management Outbound School Talk 供應鏈管理學系課程講座

Students listened attentively to the programme introduction presented by Dr Daniel Mo
同學們都專心聆聽巫耀榮博士的課程簡介

On 17 November 2014, the Department of Supply Chain Management organised an outbound school talk at Christian Alliance Cheng Wing Gee College (CWGC) for the Form 6 students, who are interested in both of our Programmes. From this school talk, students learnt more about the curriculum structure, admission criteria and career prospects of our two Bachelor Programmes: the Bachelor of Business Administration in Supply Chain Management (BBA-SCM) and Bachelor of Management Science and Information Management (BMSIM). One of our student representatives, a graduate of CWGC, Lo Cheuk Loong shared his learning experience during his study in BMSIM Programme to fellow schoolmates.

供應鏈管理工商管理學系於11月17日在宣道會鄭榮之中學舉辦了一場課程講座，對象為有興趣報讀本系的兩個課程的中六學生。在講座中，學生們都對供應鏈管理工商管理（榮譽）學士課程及管理科學與資訊管理（榮譽）學士課程的課程結構、入學條件及就業前景有更深的認識。本系的學生代表及宣道會鄭榮之中學的畢業生亦為一眾師弟妹分享他在管理科學與資訊管理課程的學習經驗和技巧。

Department of Supply Chain Management Student Representatives 供應鏈管理學系學生代表

A group of student representatives was nominated by the Department of Supply Chain Management for the academic year 2014/15. Their major duty is to liaise with inbound/outbound school seminars and their secondary schools. The representative will be invited to share their learning experience and engagement in school activities at HSMC to the high-school students. In addition, they will also be invited to participate in media interviews, establishing a positive image for our department.

供應鏈管理學系選出2014/15學年的學生代表。本學系的學生代表主要職責包括：協助聯繫母校並與講者一同出席課程簡介會，與學弟妹分享學習經驗；日後亦有機會獲邀出席參與傳媒訪問，為本學系建立正面形象。
