Collin Wong, Head and Associate Professor of Department of Supply Chain and Information Management of Hang Seng Management College, said with the link of Hong Kong-Zhuhai-Macau Bridge, the time needed through land transport between Hong Kong and the Pearl River Delta (PRD) will be faster. Guangzhou airport has the advantage of connecting cities on the mainland, so she suggested Hong Kong and Guangzhou to cooperate in terms of flights. Hong Kong can enhance the connections with airports in tier-1 cities, while Guangzhou can focus on inland flights and flights connecting tier-2 airports.
