The Hong Kong Institution of Engineers Logistics and Transportation Division (HKIE LTD) organised The HKIE LTD Best Students Papers Awards 2019 for outstanding students studying logistics, engineering or supply chain management degree programmes in Hong Kong to promote innovative ideas and research in the design and implementation of sustainable logistics and transportation systems in the territory. Over the years, this award was presented to the excellent students who studied in logistics engineering related programmes in the local universities and this was the first time that HSUHK's BBA-SCM student participated in this event.

After several rounds of selection, including documentary assessment and video presentation, Wong Ho Yan Joyce (BBA-SCM, Year 4 student in AY2018/19) won the HKIE Best Students Paper Award 2019. Members of the judging panel were impressed by Joyce's performance in the various assessment areas which enabled her to take the prize.

香港工程師學會物流與運輸分部舉辦了最佳學生論文獎，以表揚在物流、工程或供應鏈管理的傑出學生，藉此推動本港物流或工程方面的創新研究。過去多年，該獎項頒發給在本地大學就讀物流工程相關學位課程的學生，而今年是本校供應鏈管理課程學生首次參與此項活動。

經過多輪評選，王可欣（供應鏈管理工商管理，四年級2018/19）憑著在論文及影片簡報中的出色表現，從眾多大專院校的參選者中脫穎而出，獲頒贈「香港工程師學會最佳學生論文獎2019」。王可欣在各個範疇的表現優異，使各評審員留下深刻印象，最終成功獲獎。

## Chartered Institute of Procurement & Supply (CIPS) CIPS Best Student Awards 2019

### 英國皇家採購與供應學會卓越學生頒獎典禮2019

Three BBA (Honours) in Supply Chain Management students were awarded in the Chartered Institute of Procurement & Supply (CIPS) Best Student Awards 2019. At the CIPS Best Student Awards presentation ceremony held on 2 Nov 2019, Ms. Lam Gladys and Ms. Ho Cheuk Kiu received a Certificate of Merit; Mr. Wong Ka Ho received the Certificate of Appreciation.

This is the seventeenth year that CIPS implements the “Best Student Award Scheme” in Hong Kong. The awards are given to full-time post-secondary students who are studying sub-degree or degree courses with purchasing and supply chain management as major core competence.

As per previous years, the Department of Supply Chain and Information Management nominated three SCM students to the award-selection panel. Nominees were required to submit their resumes and to write an essay on “Future Development in Procurement”. They were also required to attend a panel interview through which the assessment panel members discussed with them various aspects of the procurement and supply chain profession.

英國皇家採購與供應學會卓越學生頒獎典禮 2019 於11月2日舉行。今年，供應鏈管理學系再度提名三位就讀供應鏈管理工商管理（榮譽）學士課程學生參加甄選。三位同學需要撰寫一篇與採購相關的論文及提供個人履歷表以作評核。此外，同學需通過甄選委員會面試，分別就採購及供應鏈相關專業範疇，進行討論。最後，三位恒大同學於大學生組別獲得以下佳績：

#### Certificate of Merit

## Mentorship Scheme 2019/20 2019-20年度師友交流計劃

SCM Mentorship Scheme aims to provide BBA-SCM and BMSIM students with the opportunity to learn and receive career and professional development advice and guidance from industry professionals and experts.

In the 2019/20 academic year, the first mentor-mentee meeting was held on 11 January 2020. All mentees attended this meeting and had a better understanding of the Scheme and met with their mentors for the first time.

At the beginning of the event, Dr Danny Ho, Scheme Coordinator welcomed all our mentors and mentees, and mentors briefly introduced themselves. Dr Jack Wu then led an ice breaking game, facilitating participants to get to know each other. After the fun game, KWAN Tsz To (BBA-SCM student) shared how his participation in the scheme (2018/19) helped his personal development. He also thanked his mentor for letting him know more about the industry. Dr Danny Ho also took this opportunity presenting souvenirs to all mentors for appreciating their support to our students and the Department. Before the event's ending, mentors and mentees exchanged contacts and organised their next meetings. The event concluded with dynamic and fruitful conversations between mentors and mentees.

SCM導師計劃旨在給予BBA-SCM和BMSIM學生學習機會，讓業內人士和專家提供職前就業和專業發展建議與指導。

「2019/20年度師友交流計劃」在2020年1月11日舉行首次聚會。所有參與同學透過這次聚會深化了解計劃的詳細內容，並與他們的導師首次會面。

活動首先由何熾權博士(計劃統籌)歡迎所有出席的同學及導師。然後，導師們向同學自我介紹。胡鎮浩博士更帶領小組破冰遊戲，旨在讓參與者加深彼此了解。而上年度師友交流計劃學員關子滔(供應鏈管理工商管理(榮譽)學士課程同學)亦到場分享計劃如何幫助他的個人發展，並感謝導師讓他更了解行業情況。學員分享後，何熾權博士向交流計劃的導師致送紀念品，感謝他們對同學和學系的付出及支持。導師與同學們在剩餘的時間分組互相討論，交換了聯繫方法和安排下一次見面。聚會在導師與同學有說有笑中圓滿結束。
