管理科學與資訊管理學士課程同學於
第7屆中國國際“互聯網+”大學生創新創業大賽—香港區選拔賽決賽榮獲季軍

The 7th China International College Students' "Internet Plus" Innovation and Entrepreneurship Competition (Hong Kong Regional Final) was organized by Hong Kong New Generation Cultural Association. It is an inspiring and exciting annual competition that pools together the most talented innovators and entrepreneurs from tertiary institutions in Hong Kong. The most outstanding projects will have chances to represent Hong Kong in the national stages to showcase their potential and sharpen their presentation skill.

Our BMSIM student, HO Yan Wa, participated in the competition's creativity group with three BA-AHCC students: CHEUNG Chor Fai, CHIU Tsz Shing and LEUNG Chak Hang Jonard Joseph. They formed a team called "ARision" and the product idea of the competition is to provide learning assistance for visually impaired students through AR glasses and AI notes. They were awarded the Bronze award in the competition.

Congratulations to the awardees!

香港新一代文化協會舉辦了第7屆中國國際“互聯網+”大學生創新創業大賽（香港區選拔賽決賽）。這是一年一度香港大專學界的盛事，匯集了來自香港各大專院校最有才華的創新者和企業家。最傑出的項目將有機會代表香港參加全國比賽，以展示他們的潛力和提高演講技巧。

我們的管理科學與資訊管理課程學生何欣樺與三名應用及人本計算學課程學生：張楚輝、趙梓丞和梁澤桁組成了一支名為“ARision”的隊伍參加了比賽的創意組。比賽產品理念是透過AR眼鏡和AI製作的筆記，為視障學生提供學習上的援助。他們在比賽中獲得了季軍。

恭喜得獎同學！

SCM Mentorship Scheme 2020/21 – Mentor's Sharing Talk #2 供應鏈及資訊管理學系師友交流計劃2020/21 - 導師分享會 #2

The SCM Mentorship Scheme aims at offering BBA-SCM and BMSIM students with opportunities to enhance their professional development and get valuable insights from industry experts. There is a series of sharing sessions prepared for students to learn the first-hand knowledge directly from the industrial experts.

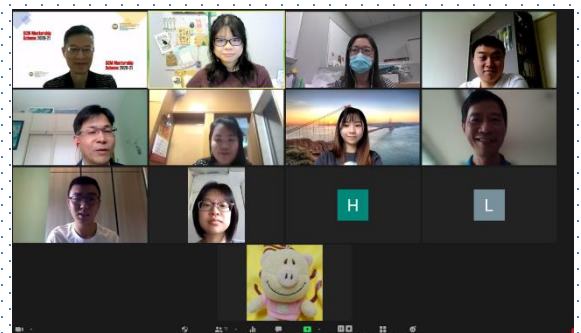

On 14 August 2021, the second mentor's sharing talk was held successfully online. Our Scheme mentor, Mr. Felix Lam, Head of Sustainability, Green Council, was the speaker of the talk on the topic of "Rethink Supply Chain: Does Sustainability matter?".

Dr. Danny Ho welcomed the speaker, Mr. Lam and students to join the talk. Mr. Lam then started to introduce the evolution of sustainability and influences on supply chain, interaction between supply chain and sustainability, and integration of sustainability into supply chain for students. After that, students participated in the Q&A session led by Mr. Timothy Chau. Near the end of the event, Dr. Cathy Lam held a game, through which students answered a set of questions to win prizes. All participants had a good time and looked forward to the next mentor's sharing talk.

供應鏈及資訊管理學系師友交流計劃旨在為 BBA-SCM 和 BMSIM 學生提供課堂以外的學習機會，讓學生們透過與行業專家的交流和分享以促進他們在專業領域上的發展。

今屆師友交流計劃為學生預備了一系列的分享會。這次導師分享會於2021年8月14日在線舉行。我們師友交流計劃的導師，環保促進會可持續發展總監林偉明先生是這次活動的演講嘉賓，主題是「重新思考供應鏈：可持續性重要嗎？」。

何熾權博士歡迎林先生及同學們出席是次活動。接著，林先生便開始介紹了可持續發展的演變及其對供應鏈的影響，供應鏈與可持續發展的互動，以及可持續發展與供應鏈的融合。然後，由周俊興先生主持問答環節，讓學生們有機會向演講嘉賓發問，了解更多可持續發展的重要性及如何在職場上應用。藍凱欣博士隨後帶領了一場遊戲環節，學生們回答問題以贏取獎品。參與者都很享受這次活動，並期待下次的導師分享會。

SCM Mentorship Scheme 2020/21 – Mentor’s Sharing Talk #3 供應鏈及資訊管理學系師友交流計劃2020/21 - 導師分享會 #3

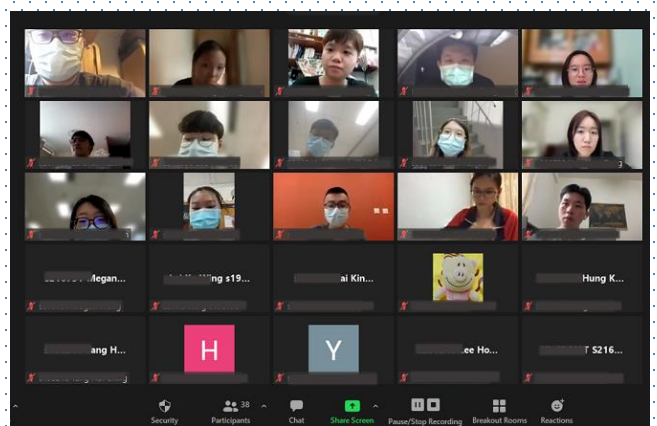

The SCM Mentorship Scheme aims at grabbing opportunities for BBA-SCM and BMSIM students to boost their professional development through learning from industry experts. A series of sharing sessions was organized for students to equip up-to-date knowledge at first hand from the mentors of the scheme.

The Mentor’s Sharing Talk #3 on “Latest Retail and Supply Chain Trends under post-COVID” was held on 16 September 2021. The speaker was our mentor, Mr. Leo Lo (CEO, TecRetail Ltd.).

At the beginning, Dr. Cathy Lam gave a brief introduction of Mr. Lo to the students. Leo then started to share his view about the trends of omnichannel, top supply chain technologies and opportunities in COVID-19. After that, students actively asked Leo questions in the Q&A session which was led by Mr. Timothy Chau. Then, students played a game to win prizes. At last, Dr. Danny Ho concluded the talk and invited all participants to take a group photo and join the next round of the Mentorship Scheme.

Workshop - E-Commerce for Retailers: Service Cloud Solution 工作坊- 零售商電子商務：服務雲解決方案

A workshop entitled “E-Commerce for Retailers: Service Cloud Solution” was held on 7 Oct 2021 (Thu) by the Department of Supply Chain and Information Management for BBA-SCM and BMSIM students.

We are honoured to have Ms. Kitty Kwok, Business Solutions Consultant of Superhub Limited, as our speaker. Ms. Kwok is a dedicated and efficient full stack software engineer with substantial experience in planning, controlling, executing various IT cloud projects and solutions. Ms. Kwok introduced the basic concepts of cloud services and different cloud providers. She also outlined the major categories of cloud providers: IaaS (infrastructure as a service like AWS, Azure, Google), or PaaS and the different “real-life” use-cases.

The workshop covered the main building blocks of the web application hosted in the cloud such as computer instances, database and type of storages. Furthermore, it also introduced networking, and the basic security setting in the cloud. Participants gained hands-on experience in MS Azure.

供應鏈及資訊管理學系於2021年10月7日（星期四）為BBA-SCM和BMSIM學生舉辦了一場題為“零售商電子商務：服務雲解決方案”的工作坊。

我們很榮幸邀請到 Superhub Limited 的商業解決方案顧問郭敏滂小姐。郭小姐是一位的全方位軟件工程師，在規劃、控制、執行各種雲項目和解決資訊科技雲端方案方面擁有多年的經驗。在這個工作坊裡，郭小姐介紹了雲服務和雲服務供應商的基本概念。她概述了雲服務供應商的主要類別：IaaS（基礎設施即服務，如 AWS、Azure、Google）或 PaaS 以及給予“現實生活中”的不同的案例。

工作坊涵蓋了託管在雲中的 Web 應用程式的主要構建塊，例如計算機實例、數據庫和存儲類型。此外，它還介紹了網絡和雲中的基本安全設置。參與同學並且獲得了 MS Azure 的實踐經驗。

DHL HR Professions Inspire SDSC students to Hunt for the Perfect Jobs DHL人力資源代表與學生分享求職要訣

The Department of Supply Chain and Information Management organized professional training workshops for SDSC students on 30 September and 7 October 2021 respectively to equip the students with professional skills of CV writing and interview. The workshops attracted over 50 participants to join.

The guest speakers, Mr. Anthony Wong (Vice-President of Human Resources), and Ms. Nicole Lau, Senior Human Resources Manager at DHL express Hong Kong & Macau, provided our students with tips on writing an appropriate CV and job interviews. Students learned how to succeed in job-seeking.

Through a series of demonstrations and explanations at the workshops, our students gained better understandings about their personal capabilities and interests in designing their own career path. The speakers also provided analyses on identifying the career choice, demonstrated an impressive self-introduction to gain the best first impression, and explained how to prepare for job interview questions. Their winning tips on how to get prepared for successful interviews inspired our attending students to prepare for their future career developments.

供應鏈及資訊管理學系於9月30日及10月7日舉辦了兩場專業培訓工作坊，吸引了超過50位決策科學學院的學生參加，以裝備學生在履歷撰寫及面試技巧作求職準備。

該活動邀請了DHL人力資源部副總裁Anthony Wong和高級人力資源經理Nicole Lau為主講嘉賓，與一眾學生分享撰寫履歷及面試技巧，藉此幫助學生在求職面試中突圍而出。

透過一系列的解說以和示範，學生更了解自己的專長與喜好，以作出適合自己的職業選擇。主講嘉賓分享各種職業的工作特點以作選擇考慮，亦示範最有效的自我介紹以贏得面試官好印象，並教授在面試過程中如何處理常遇到的難題。主講嘉賓的成功分享啟發學生預備日後的事業規劃。

SCM Personal Tutor Meeting AY2021/22 供應鏈及資訊管理學系個人導師聚會 AY2021/22

The Department of Supply Chain and Information Management held a face-to-face orientation, in the form of a personal tutor meeting, on 2 September 2021. Over 70 participants, including new students and SCM academic staff, took part in the activity. Our academic staff give a warm welcome to all new students.

After the Programme Directors, Dr. Daniel Mo and Dr. Jack Wu, kicked off the orientation, our faculty and students got to know each other through an ice-breaking game. Our students had a friendly chat about their studies and campus life with their personal tutor. They also engaged in vivid discussion with the tutors on their adaption to U-life, study plan and personal development issues. All participants enthusiastically communicated with each other, and the event was completed fruitfully with games and gifts.

供應鏈及資訊管理學系於本年9月2日舉辦迎新活動，是次活動以個人導師聚會形式進行，吸引了超過70位本系的師生參與。

隨着課程主任歡迎各個新生，聚會亦正式啟動。教師與學生透過小遊戲進行互動與分享，交流課程和學習上的各種資訊和心得。活動最後進行小遊戲及抽獎，在熱烈交流聲中，各同學滿載、盡興而歸。
